TOUCH
A TOUCH OF CLASS
Home/Shop/Menu

Proximity Reader
Codeless arming and disarming with a proximity device.

Armed LED
Interactive Shield
System status and one-touch arming.

Area
All/Perim
Home/Sleep/Away

Tap the Panic feature on the carousel. The Panic Menu will appear. Then press and hold the appropriate panic icon until it illuminates.

Panic Menu

To notify you of time remaining before system arms = time to exit.

Arming/Disarming Shield Icon
The Interactive Shield displays current system status. Press and hold to arm the system or tap the shield to select an arming option.

Visual Warning of an Alarm
The Interactive Shield changes to red to warn you that an alarm has occurred, even if it happened while you were gone and the siren has been silenced.

Verifying an Alarm
In the event of an alarm, the CANCEL/VERIFY™ feature lets you instantly cancel false alarms, enter the interactive shield, and summon help more quickly.

Carousel Menu provides scrollable feature list with Panic at the top.

The large, full-color display puts all security system controls at your fingertips.

Armed LED
The Interactive Shield changes to red to warn you that an alarm has occurred, even if it happened while you were gone and the siren has been silenced.

Attention List
Scroll through list to see history on system activity.
